

# SETUP GUIDE

Welcome to Respite

## 1. VR CHAT ACCOUNT

If you do not have VR Chat, or a VR Chat Account, please download the application in the and create an account. Please take note of your exact username (case sensitive) as we will need this later on.

You can also use this link to create your account: [VRChat - Home](#)

*\*If you use the link, you will still need to download the VR Chat application onto your headset to access the experience.*

## 2. FRIEND REQUEST

Once you have an account, please send a friend request to your Welcome to Respite team by clicking on one of the links below:

[Friend 'wtrunicorn' Team](#)

[Friend 'wtrrocket' Team](#)

[Friend 'wtrrocket' Team](#)

*\*Sending a friend request to correct team is extremely important as it will affect your ability to access the show. You can find this information in the email sent to you by the production team.*

## 3. REQUEST AN INVITATION (DAY OF)

Five minutes prior to the start of your experience, please log into VR Chat and request an invite from your Welcome to Respite team.

To request an invite, you will:

1. Log into VRChat and go to your home world.
2. Open your Quickmenu.
3. Point at the word Social with your laser and click. This will open a larger menu.
4. Select your team name under online friends.
5. Click Req Invite.

Exit your menu and wait for a blue envelope to appear next to the microphone icon. open your quick menu, click on the icon corresponding to your team, located in the top-left. Click accept and follow the prompts.

## 4. PREPARATION

For PREMIUM ticketholders, **headphones are required** to eliminate disruptive feedback. This ensures a quality experience for every participant.

*\*For GENERAL ticketholders that have opted-in to possibly be upgraded to a PREMIUM ticket, please make sure to have headphones nearby in the case that this happens.*

Because we want you to be fully present during the experience, we highly recommend that you go somewhere quiet where you will remain uninterrupted for the length of the performance.

Lastly, please make sure your equipment is ready to go:

1. Plug-ins are secure
2. Equipment is fully charged
3. Controllers have adequate battery life

## 5. TROUBLESHOOTING

If after multiple attempts to request an invite a blue envelope does not appear, try logging out of VR Chat and start the process again.

If you are still experiencing difficulties, please restart your headset and try once more.

We are here to support you! If you would like to speak to a person, **technical support** is available for the ten minutes leading up to your experience via Zoom:
